DALY CITY VOTERS FULFILL SCHOOL NEEDS

MODERNIZATION PLANS

$1.8 Million 'New Look' At Jeff High

Allocations Board approval will be sought next month for a $597,000 second increment to Westmoor High and a $396,000 renovation job to Jefferson High's gymnasium, District Superintendent Edward Morgan announced today.

The latter work at Jeff High will be the first phase of a $1.8 million reconstruction project at the 36-year-old school on Mission street. In April, the district will ask the Allocations Board to grant $1.3 million for completely modernizing Jeff High, giving it an entirely new physical appearance by mid-1963.

Westmoor's second increment, with architect Mario Ciampi in charge, calls for eight additional regular classrooms, five science labs, a woodshop, electricity shop, and mechanical drawing room. Construction will start this fall and the additions should be completed in mid-1962. Westmoor's student capacity then will be 2118, compared to its present state assignment of 1718 pupils.

Ciampi is architect for the Jeff gym renovation. This building was completed in 1937 and meets state field act requirements for safety, but it was designed to accommodate a total school enrollment of only 600 students. Jeff High today has 1500 students. The project includes installation of shower rooms and locker facilities under the present gym floor. Morgan said the gym work will take about 12 months and will start this summer.

Falk and Booth are the architects for the major construction mapped for Jeff High which today is sub-standard structurally as far as the state is concerned.

The first increment at Jeff will add 46 new teaching stations in two double-story academic buildings to be erected on the present lawn area west of the cafeteria and main building. The metal shop will be rehabilitated, the auto shop expanded into two shops, a new building to house the electricity shop and music department will be erected, as well as a small maintenance shack.

Once these new buildings are completed, the main building, the auditorium, and the present facility housing four temporary classrooms and electricity and photography all will be demolished.

Then the district will award a contract for grading out the rear portion of the 20-acre campus to one uniform level. The present baseball diamond will be relocated to the west. The track and football field will remain as is. Jeff High's frontage on Mission street will be converted to a recreation area for tennis courts and a small sofaball diamond. In front of the present gym, the district will create a landscaped parking strip for teachers and students.

The second increment to then-modernized Jefferson will add 15 more classrooms, including a second woodshop, a second mechanical drawing room, and a modern homemaking department.

Jefferson's first increment, which should be completed by the summer of 1963, will have 23 regular classrooms, five science labs, three business education rooms, nine physical education stations, and single arts, crafts and photography rooms plus a library and administrative offices.

The district already has sufficient bond funds for the Westmoor additions and the Jefferson gym and first increment projects. Jefferson's second increment will be financed by bonds and state aid.

33 Merchants At Meet On Mission 'Rehabilitation'

Daly City officials briefed 33 merchants on ideas for Mission street commercial area rehabilitation Tuesday in a luncheon meeting that lasted two hours.

Presented by City Engineer Bill Chapman was a map suggesting possible new traffic routings, parking areas, and a pattern for new buildings.

The section under study is between Knowles avenue and Bepler street.

The merchants were asked to consider the proposals and offer comments at another meeting in two weeks.

COUNCIL MEETS NEXT TUESDAY

Next regular meeting of the Daly City Council will be held on Tuesday evening, February 14, starting at 8 o'clock at City Hall, 75 Wellington avenue. The council will hold a study session this Thursday night at 8.

LIKE most moms, Mrs. Ernest Bloom, chairman of the Daly City-Colma Mothers' March for Dimes, is fully occupied with sons Kent, 4, and Craig, 2. More than 400 volunteers, directed by Mrs. Bloom, collected almost $6000 in the doorstep campaign Tuesday night last week.

Homeowner Won't Surrender

W'lake Lawn Dispute 'Compromise' Fizzles; Court Decision Next?

Westlake's lawn dispute hit a showdown pitch Monday night when a capacity audience at the board of directors meeting heard both sides in the two-months-old argument.

Neither the Association nor homeowner Jack Klein, however, conceded any ground, and whether the controversy will end up in court is anybody's guess.

One thing appears certain. Klein, the union official who removed his lawn and was promptly notified by the WSIA to restore it "or else," is not willing to comply with any Association edict. He steadfastly maintains that his ivied frontage at 97 Lake Forest drive is his business and the Association lacks the authority to make him conform.

Directors on Monday night heard William A. Upp, head of the WSIA architectural committee, report that a meeting last week with Klein failed to resolve the controversy. Upp, 174 Westbrook avenue, said the architectural committee offered to replant Klein's lawn, at no expense to him, but reiterated that Klein's ivy and hedges were in violation of the Association's restrictions. According to Upp, Klein indicated no willingness to accept this "compromise" offer. The committee suggested that the lawn be replanted and the ivy and hedges be placed closer to the resi-

HE WENT THROUGH A STOP SIGN

'I Could Have Shot You...'

Police Officer Ed Beecher made a routine stop of a motorist who went through an arterial stop sign Tuesday morning about 7:30 at Crocker and Mission streets.

The incident became more than "routine" minutes later when the driver, William J. Quink, 22, was jailed on five counts.

First of all, Quink had no identification, no driver's license, and the car had no front license plate nor an ignition key.

Suspecting that the two-door sedan had been stolen, Beecher and Sgt. Rico Benedetti escorted Quink to police headquarters. A search of the car then turned up a .25 caliber automatic pistol, from under the driver's seat, and a blackjack, concealed in the front seat upholstery.

It didn't help Quink's cause much, either, when Beecher, Benedetti and Officer Tom Culley also spotted a knitted cap, eyeglasses without lenses, and a false moustache in the vehicle.

Quink, whose address is 4774 19th street, San Francisco, admitted he had been arrested for "burglary in the past," but said he was clear and wasn't on probation or parole.

He said he borrowed the car from a "Gail Souza who's in jail in San Francisco."

A check on the vehicle's registration proved the car belongs to Alice J. Lovrin, 38 Gladstone drive, San Francisco.

Beecher asked Quink why he was wearing slacks and a sports shirt under work trousers and a work shirt. The suspect replied that he was having engine trouble and didn't want to soil his clothing if further repairs to the car were necessary.

Asked by Beecher, "isn't it dangerous to carry a gun," Quink replied: "I could have shot you... you had your back turned."

The pistol had one round in the chamber and two cartridges in the clip.

Quink was jailed on suspicion of auto theft, possession of a concealed weapon, going through an arterial stop sign, having no license plate on the vehicle, and possessing neither a vehicle operator's license nor any personal identification.

He was still in custody as this was written.

Moms Get $5929 At Doorsteps

All the figures haven't been totaled as yet, but the annual Mothers' March of Dimes drive in Daly City and Colma was the most productive single effort in San Mateo county.

Mrs. Pearl Bloom, general chairman, and Mrs. Mendel Plansky, her assistant, today reported Daly City-Colma residents contributed $5929.17. This is higher than any other community total in the county.

Twenty-three neighborhood chairmen, working under the direction of Mrs. Bloom and Mrs. Plansky, said 404 men and women volunteers participated in the doorstep appeal.

Mrs. Bloom advises residents who weren't at home last Tuesday night to mail donations to her at 27 Midvale drive, St. Francis Heights, Daly City.

Redwood City, second largest city in the county, was second to Daly City in the unofficial returns, and San Mateo, the county's largest city, reported disappointing results, according to Mrs. Bloom.

By areas, the local contributions were as follows:

Daly City (east-side) and Colma, $1313.51.

Westlake, $3137.35.

St. Francis Heights, $892.30.

Broadmoor, $577.01.

Mrs. Bloom and Mrs. Plansky today extended "appreciation to all who worked and donated to make this area's effort so successful."

SALARY REPORT ON HIGH SCHOOL BOARD'S AGENDA

Since next Monday is an official holiday, Jefferson High School District's board of trustees meeting will be held on Tuesday evening, February 14, starting at 7:30 p.m. in the district office, 375 South Mayfair, second floor.

The agenda includes a report by the teachers' association finance committee on salaries for 1961-62, final approval of plans for the initial development of Westmoor park, a project shared with the city; a discussion on the proposed annual report to be published in the local newspapers, and the appointment of an assistant principal for Terra Nova High School.

All trustee meetings are open to the public. Closed meetings of the board are restricted to discussions about personnel.

Brisbane Lone Disappointment

Building Funds Totaling $15.3 Million Guaranteed

Thirty-two percent of the eligible voters streamed to the polls Tuesday to approve—by virtual 5-1 margins—school bonds and state aid in the amount of $15,300,000.

The landslide of yes ballots was the heaviest in Daly City-Colma history.

Jefferson Elementary District's $2.8 million bond issue carried almost 6-1. The tally was 6352 yes, 1076 no. On a request for $7 million in state aid, the JESD count was 6117 to 1136.

Jefferson High School District's $4 million in bonds was victorious, 8507 yes to 1735 opposed. The high school district's $1.5 million state aid proposal carried, 8228 to 1808.

The only disappointment Tuesday was defeat on Brisbane Elementary's $375,000 in bonds and a $900,000 state loan. Both failed to muster the required two-thirds majority. Brisbane Elementary District voters voted 308 yes and 196 no on bonds, and 312 yes and 198 no on the state aid.

In Jefferson Elementary District 7647 of the 23,715 registered voters responded. The high school issues were decided by a total of 10,762 of an estimated 33,000 eligible.

In Daly City and Colma, high school bonds were approved, 6136 to 1045, and the state loan carried, 5897 to 1125, Pacifica residents backed the high school bonds, 1814 to 438, and the state aid, 1785 to 436. In Bayshore, the high school issues won, 233 to 52 on bonds and 237 to 43 on state aid. Brisbane's tally on high school bonds was 324 to 200, and on the state loan, 309-204.

Triumph for Jefferson Elementary District makes possible construction of seven new schools and additions to four present schools by 1965.

The high school district's authorizations will bring funds for facilities to house an additional 3627 students by 1947.

Brisbane voters are expected to try again for bonds and state aid to build a new school to serve the new Southern Hills subdivision, part of which is in Daly City.

No votes on the Jefferson elementary and high school districts issues were noteworthy only in three of the 18 Daly City-Colma precincts. The "weak" areas were at Jefferson Elementary School precinct, Jefferson High, and at 75 Avalon drive in the Palisades. Yes votes prevailed at all three spots, however.

The biggest margins for JESD and JUHS bonds and aid came from Thomas Edison School precinct, where 855 balloted; at Vista Mar School precinct, where 675 responded, and at Colma School, with 659 casting ballots.

At Edison, high school bonds won, 748-47, and state aid carried, 720-64. Edison's tallies for JESD bonds and aid were 801-51 and 769-67, respectively.

At Vista Mar, high school bonds got 606 yes to 53 no, and state aid, 572-64. Vista Mar's totals for elementary bonds and aid were 614-50 and 582-64.

All of the Daly City-Colma precincts experienced their biggest individual turnouts.

Same Bandit Returns, Gets $500 In Second Hold-up At Grocery

When you are visited by the same armed robber twice in a period of eight days, then it's more than an unfortunate coincidence.

Daly City's B&G Market, a small grocery store at 584 Hillside boulevard, got the "treatment" again last week. Coowners Charles McGuire, 33, and Henry Kaufman, 48, unwillingly yielded $500 cash to a husky Latin-type gunman at 6:08 p.m. Wednesday.

It's bad enough to be robbed twice within two weeks, but when it's the same guy pulling the job, police begin to wonder. Right now they are following up with an intensified investigation in an effort to nail the pistol-packer and his friend or friends.

The six-foot, 185 to 200 pounds, 30 to 35-year-old suspect, who had an accomplice on the night of January 24 when he relieved B&G of $700 in cash just about closing time, last week was attired in the same manner. He wore sun glasses, a brown overcoat, and toted a short, small black pistol.

McGuire was up front waiting on a teenage customer when the smooth bandit entered last Wednesday. The latter quickly flashed the gun and motioned Kaufman, then behind the meat counter, to come forward.

The two storemen and the girl knew the intruder meant business when he boasted: "I've been doing this for five years and they haven't caught me yet."

Then he asked for and received the wallets of the two men. After emptying the cash register the robber ordered all three to lie down behind the main counter "and don't move."

He then fled on foot, presumably to a waiting vehicle.

In the January 24 episode, the Latin-type gent was accompanied by a similarly dark-featured assistant who brandished a knife. They sped away from the scene that time in an old-model auto.

FOUR 'NAILED' FOR ROBBERY AT COMPTON'S

Daly City police and the Oakland and San Francisco departments have wrapped up the case against the four young men responsible for the November 7 robbery of Gene Compton's restaurant in Westlake.

Sgt. Charles Terry and Officer George Brooks, Daly City inspectors, said all four suspects are in custody and have admitted the job that netted them $300 in cash and $900 in checks here.

They are: Joseph D. Hammar, 19, South San Francisco; Robert D. Moore, 23; John M. Tomakin, 20, and Bernard Verrett, 19—all of San Francisco.

Hammar and Verrett, parolees of the California Youth Authority, are in custody of Oakland police on additional armed robbery charges. Toma-

3 Candidates Thus Far In Trustee Races

Three hats are in the ring for the April 18 school trustee elections which will determine seven berths—four on the high school board and three on the elementary.

The high school candidates who have filed are incumbent Lyal Ingersoll, contractor, who is chairman of the board, and Dr. Jerry C. Miles, chiropodist with offices in Pacifica.

Mrs. Katherine Mullen, veteran elementary trustee, filed papers for re-election three weeks ago.

Terms of Ingersoll, Elio Fontana and Mrs. Ann Eason expire this June. Dr. Robert Rockstein's resignation leaves another vacancy on the high school board. In the elementary district, the terms of Chairman Frank Verducci, Thomas Noonan, and Mrs. Mullen end this summer.

Filing deadline for all trustee candidates is March 17. For further information about securing nomination papers, contact the school districts, PL 5-1162 and PL 5-3311, or the county schools' office, EM 8-3901.

Runaway Car Jolts Residence

A runaway car rammed into a house in Westlake last Thursday morning about 8 o'clock and the damage to both was heavy.

Police Officer John Coleman said foreign exchange student Nasser N. Mirgoli, 27, of San Francisco, had parked the '58 auto in front of 89 Portola avenue. When he left the residence a few minutes later the car was missing—it had rolled downhill into the front of the home of Mrs. John Doody, 479 Northhaven drive.

It took quite a while to remove the damaged vehicle from the jolted structure.

According to Coleman's report, Mirgoli said he wasn't sure if his car's wheels were curbed, but the student was certain his emergency brake was on when he left the vehicle.

'Get Thee Elsewhere' Edict Routs The Gent

Daly City officials have closed the file on the case of the undesirable serpent.

The five-foot boa constrictor which occupied the premises of Joseph D. Hennessey, 61 Grandview avenue, has been removed from Daly City.

City Attorney Paul Hupf today reported that Hennessey, facing protests from his fearful neighbors, "got rid of the snake as the city council ordered by special resolution."

The city gave Hennessey 10 days to "abate the nuisance." Police officers checked the residence and were guaranteed by Hennessey that he had complied with the edict.

Hupf finalized: "It's the first time, to my knowledge, the city has had to take action against a reptile."

dence. This, Upp said, would satisfy Association requirements as per the restrictions which run with the individual deeds.

H. W. Dickow, 186 Avalon drive, sided with Klein when he moved that the Association drop the matter and leave Klein's frontage arrangement as is.

Declared Dickow: "Klein could take his case all the way to the Supreme Court. This suit could cost the Association $100,000."

But Dickow's statements were greeted by heavy protests from the majority in the audience. Sea Scout Skipper Robert P. Gunthorp, 1172 87th street, angrily stated that he felt most people in Westlake support the Association for an effective and beneficial job in enforcing its by-laws and the deed restrictions.

Another member of the audience, a woman who said she was an attorney, offered her services on behalf of the Association should the matter result in litigation. And WSIA attorney Hartley Appleton, urged by Dickow to "drop" the case, quickly replied: "We will not dismiss this matter."

Association director Dr. Allen Unger, in an action that showed the present board is considering all the possibilities, got unanimous support from fellow directors on his draft of a questionnaire to be sent to a cross-section of Westlakers, asking how they feel about present restrictions, particularly on landscaping.

Chairman Emory Schoolcraft of the board today pointed out that Unger's questionnaire "in no way indicates that we are going to prolong our decision on the Klein case."

"The Association believes Klein's present frontage is in violation of his deed restrictions," said Schoolcraft. "We have attempted to arbitrate the matter for a satisfactory settlement, but apparently Mr. Klein is not interested."

Schoolcraft further asserted that present deed restrictions on all Westlake homes run until 1974, at which time they can be readopted for another 10-year period unless a majority of homeowners want the Association dissolved.

The chairman said changes in the by-laws, which give the association's architectural committee the authority to enforce the deed restrictions, can be made only by two-thirds vote of Association members.

"I can't see how the Association can back down in the Klein matter," declared Schoolcraft. "If we do, then there would seem to be no purpose in having an association that is looking out for the best interests of the property owners in Westlake."

According to Schoolcraft, the restrictions stipulate that the area between the sidewalk and the front setback on Westlake homes should be kept and maintained. This means, he said, that only lawns are allowable because the subdivider originally planted lawns and the restrictions insist that these "should be kept and maintained."

The Association's compromise offer to Klein was to have him move the hedges and ivy from this restricted area and closer to the house, while at the same time the Association would replant the exterior and middle yard area with grass.

Doctor's Baby Succumbs Here

Daly City firemen tried in vain to revive a seven-months-old St. Francis Heights infant Wednesday night last week after they were summoned by a baby-sitter who discovered the baby lifeless in his crib.

The tiny victim, Niel Kliger, was pronounced dead a few minutes later at Junipero Serra Hospital where doctors estimated exact time of death as about 30 minutes earlier.

The 15-year-old baby-sitter told Police Officer James Bergstrom that the child's parents, Dr. and Mrs. Benjamin Kliger, 58 Monterey drive, left her in charge of the baby and their two other children, Barry, 4, and Robin, 15 months, about 1:15 p.m. The girl informed Bergstrom everything appeared normal when she fed the baby his formula about 2:30 o'clock, and again at 3:30 when she checked and noticed the infant asleep in the rear bedroom crib. Mrs. Kliger called at 5:15 p.m. and suggested another feeding. At this time the baby-sitter observed the baby's coloring had turned blue around the mouth. She immediately called police who dispatched the fire department crew headed by Capt. Allen Brush and fireman Pat Cuneen.

Bergstrom later learned from Dr. Kliger, a resident physician at Kaiser Hospital in San Francisco, that the baby had recently been in the hospital for the treatment of diarrhea.

School Thief Takes $100 Tape Recorder

Theft of a $100 tape recorder from the multi-use room of Crocker School, 647 Bellevue avenue, was reported to Daly City police last week.

School officials said the theft occurred sometime in January, according to investigating officer John Van Otten. They delayed notifying police hoping thatt he device had been borrowed or misplaced and would be located.

'HEARTS and Fashions' is the theme for this Saturday's fashion show-luncheon sponsored by the All Souls Mothers club of South San Francisco. The site for the event is the Elks Club in San Mateo. The clothes are presented by H. Liebes of Hillsdale, coordinated by Mary Jane Smith, and the commentary will be by Evangeline Baker. Models include (left to right) Mrs. Leo Quiriconi, Mrs. Bob Fontana, Mrs. Joseph McKeon.

CABBIE JAILED FOR SOCKING DC BARTENDER

A San Francisco cab driver was jailed by Daly City police at 1 a.m. Tuesday after he reportedly socked the bartender at Vince and Fred's Annex, 6282 Mission street.

Thomas Barges Finch, 36, of 1231 Fulton street, was arrested on charges of disturbing the peace, bring drunk in a public place, and assault.

Bartender Dehl Fehl, 45, of 106 East Vista avenue, told Officers Tom Culley and Dennis Sheehy that Finch became abusive when he was told he wouldn't be served any more drinks.

Auto Overturns, Lady Driver Unhurt

A Daly City woman escaped with no visible injuries Tuesday afternoon last week when her car overturned at the intersection of Theta and Santa Barbara avenues.

Mrs. Lena N. Banfield, 240 Second avenue, told Officer Richard Brewer she was driving west on Theta downhill and suddenly lost control of the vehicle. Her sedan knocked down the street sign on the northeast corner of the intersection, then flipped over, damaging its left side.

FOUR 'NAILED'

(Continued from Page 1)

kin and Moore also face additional charges in San Francisco for burglary and robbery.

All four were apprehended late in November and have been held by the individual jurisdictions pending finalization of all the cases they were involved in.

In municipal court, South San Francisco, on January 26, Tomakin pled guilty to the first degree armed robbery of Compton's. He was sentenced to the CYA and denied probation. The charge against him of burglarizing a Broadmoor residence along with Hammar and Verrett on October 25 last year was dismissed.

Sentencing of Hammar in Oakland has been delayed due to his hospitalization for treatment of bullet wounds he suffered in robbing an Oakland surplus store. At first Hammar was taken to Junipero Serra Hospital where he falsely stated he had been wounded in a juvenile gang fight in San Francisco. Verrett later confessed that he and Hammar were fired at by the Oakland surplus store proprietor.

Terry, assisted in the local investigation by Officer James Bergstrom, Brooks, and Broadmoor Police Chief Ray Savage, said both Hammar and Verrett have long records for auto theft, burglary and other felonies. Moore, oldest of the four, also has served time in prison.

The four criminals roughed up and bound Compton's manager James W. Walker, 66, as he was opening the restaurant on November 7 about 5:30 a.m. They had "cased" the area in preceding weeks and were careful to avoid the special police patrols at the shopping center.

The newspaper will be co-edited by Roy Pasini and William Upp. The Cubs now are engaged in a contest to determine the newspaper's name. The winning Cub will be named honorary editor-in-chief.

Deadline for boys to submit entries to their den mothers is Friday, February 17.

Woman's Purse Snatched Here

A short and stocky young man accosted a Daly City woman late Tuesday night last week and ran off with her purse containing $30 and valuable papers.

Catherine P. Hart, 38, a telephone operator who lives at 235 Station avenue, was walking north toward her residence about 11:15 p.m. when the thief ran up from the opposite direction, grabbed the purse, raced south on Station, and then east on West Market street.

The victim told police officers R. C. Sims and James Sunderland that moments before the incident she had seen a car loaded with juveniles speed west on West Market. She assumed her assailant was from this group.

The chunky suspect was further described as about 5-6 or 5-8 in height, 18 to 20 years old, and wearing a grey and green sweater. The auto was a 1955 Ford hardtop colored blue and white.

San Francisco Man Booked For Drunk Driving In Truck

Erratic driving on Mission street last Friday about 10:50 p.m. ended in the arrest of Leonard Graves, 64, who lives at 107 Bright street, San Francisco.

Daly City Police Lt. Bruno Conci, taking up the chase at Wellington avenue, sirened Graves' pickup truck to a halt at Citrus and Mission after the latter, going south, crossed over into the northbound lane, swerved, and then went through a red light, according to the police report.

Officer Frank Murray transported Graves to Junipero Serra Hospital where a sobriety test was taken.

Graves, who according to the police report admitted "having a few beers," was released on $525 bond. He is due in municipal court next Tuesday.

New DC Library To Be Dedicated On February 19

Daly City's $178,000 new main library, 275 Southgate avenue in Westlake, will be dedicated in a ceremony on Sunday, February 19, City Librarian Sam Chandler announced today.

Chandler will introduce City Manager Edward Frank who officially will present the library to the community. Mayor Frank Pacelli and Dr. Lionel Farber, chairman of the city library commission, then will accept the facility and introduce the persons who were instrumental in its development. Among the special guests will be architect John Gloe and contractor John A. Nelson.

The ceremony starts at 2 p.m. and will be followed until 5 p.m. by open house tours of the facility, led by Chandler and members of his staff.

Chandler said the library on Southgate currently has 8000 books and a capacity for 30,000 volumes. A delay on furniture arrival forced postponement of the dedication last fall.

The city library commission, meeting tonight at 8 p.m. in the new building, will finalize plans for the February 19 dedication.

Haiti Visitor At Colma K-6

Mrs. Gene Bryant's and Mrs. Myrtle Culley's sixth grade classes at Colma K-6 are studying about the West Indies. They were fortunate to have an excellent speaker, Louis Toussaint from Haiti.

Toussaint is studying at San Francisco State College on a Fullbright Scholarship. In Haiti he teaches school during the day and practices law at night.

After speaking of the general aspects of the Haitian culture and economy, he held a question and answer period.

He stated, "If all the people in the world can be come better acquainted they will be friends and there will not be such fears of wars."

Mesdames Albert & Kendree

'Full Membership' Library Commission Welcomes New Pair

Appointment of Mayre Albert and Gertrude Kendree to Daly City's Library Commission gives the board a membership of four ladies and one gentleman.

The chairman is Dr. Lionel Farber, 159 Wilshire avenue. Mrs. Maude Hanselman, 506 Hillside boulevard, and Mrs. Sarah Kelechava, 141 Windsor drive, round out the panel.

Mrs. Albert is one of the busiest housewives in town. She's the mother of six children, ranging in age from 6 to 29, and she has 10 grandchildren.

Council meeting, school board and commission-goers the past year consistently have seen Mayre and her husband, LeRoy, a transfer clerk for Southern Pacific, taking notes and learning more about the machinery of local government.

"I've always been interested in politics and municipal affairs," commented Mrs. Albert, "but it wasn't until about a year ago that I embarked on a full schedule of attending just about every meeting I can."

The same goes for Mr. Albert, perennial attendee at many meetings that very seldom draw more than a handful of patrons of the jurisdictions involved.

Mayre was appointed on motion of Councilman Bob St. Clair. Her term and that of Mrs. U. R. Kendree, appointed the same evening by Councilman Edward Dennis, expire in June of 1963.

Mrs. Albert was born in El Cajon (Calif.) and is a graduate of San Pedro High. Before coming to Daly City 12 years ago, the family resided in the East Bay community of Emeryville.

Both Mayre and LeRoy are members of the Daly City Celebration Committee, Hillside Homeowners Association, and each worked actively on the "Bonds for Building" School Committee. They reside at 3 Royce Way in Sherman Heights.

Mrs. Albert's children are Joyce, 29, who lives in San Diego; 26-year-old twins Pauline (San Pablo housewife) and Paul (Richmond police officer); Darlene, 23, of El Sobrante; Steve, 18, a Jefferson High varsity wrestler and former gridder, and Mayre, 6, first grader at Colma K-6 School.

Mrs. Albert's mother is a native of Texas and her father hails from Kentucky.

Gertrude Kendree and her husband, Jack, manager of Westlake Shopping Center, have lived in Westlake at 80 Montrose avenue since 1951. She is past president of the Daly City Friends of the Library, area chairman for the Cancer Society, and former secretary of the Daly City Chamber of Commerce.

Mrs. Kendree was born in San Francisco, her husband in Kansas City. They have two sons and a daughter. One son is a life insurance agent in Saratoga, and the other is an urban development specialist in Philadelphia. The daughter is a Stockton housewife.

MOTHERS' MARCH LEADER THANKS DRIVE HELPERS

Dear Editor:

Thanks to the effort, cooperation and generosity of the people in Daly City and Colma, the Mothers' March of Dimes held January 31, was a huge success.

The success of this drive could not have been possible without the wonderful publicity given us by our local newspapers, the public schools, the parochial schools, local churches, and local organizations. For this I wish to give special thanks to the Westlake Times and Daly City Record; Mr. R. Foster, superintendent of Jefferson Elementary School District; Mr. Edward Morgan, superintendent of Jefferson High School District; the presidents of the local PTA's; the presidents of the parochial school guilds, and the ladies and girls of the Daly City chapter of B'nai B'rith. Thanks also goes to Mr. Joe Lewkowitz, who with his loudspeaker helped remind the people to turn on their porch lights.

I am deeply grateful to Mr. Bryan McMahon and the Bank of America for handling the final counting and banking of the money collected, and for the protection given us by the Daly City Police Department.

Not enough can be said of the help given me by my assistant, Mrs. Mendel Plansky, and my neighborhood chairmen who were given the responsibility of obtaining the many captains and marchers who, along with the generosity of the people of Daly City and Colma, were responsible for making our drive the success it was. The neighborhood chairmen who served in this capacity were Mmes: Frank Fisher, Ace Sam, A. Gonzales, Felix Moss, John Guastavino, William Jones, John Cardinale, James Coughlin, Umbert Bovero, Alfred Marquez, H. Coil, Chadwick Reade, Albert Bach, Richard Dwyer, Moses Laughridge, John Taylor, Robert Pardini, Gus Ford, Oliver Brown, Ken Kimball, Ray Fitzpatrick, Philip Brown and Sabi Eliachar.

To everyone I have named and to those I have unintentionally missed, I wish to extend my most heartfelt thanks.

SCHOOL BONDS DRIVE LEADER SAYS 'THANKS'

Dear Editor:

To the hundreds of people of our North County communities who worked well beyond the normal call of duty, to the many people and firms who donated funds, to our newspapers for their editorial assistance, and to the school districts' trustees and staff who gave willingly and generously of their experience and personal time; on behalf of the Citizens' Bond Committee and also on my own behalf, I wish to extend our most hearty and sincere thanks for a big job well done.

We also wish to thank every voter who turned out on election day in support of these vital school bond issues. Without the affirmative ballots, all of our endeavors would have been in vain.

Sincerely yours,
R. E. Smice

AIR POLLUTION BOARD SEEKS MORE ENFORCEMENT AUTHORITY

The Board of Directors of the Bay Area Air Polution Control District has referred back to its legislative committee for additional consideration and report the matter of how the district can best enforce its anti-smog regulations uniformly throughout the six-counties in their jurisdiction.

The report will include whether the district should ask the state legislature for misdemeanor powers, and how effective a series of model ordinances concerning the District's regulation will be. Control Officer Benjamin Linsky and District Counsel Matthew S. Walker also were directed to submit their views for incorporation in the report.

Eveleth E. Hayden, secretary-manager of Alameda County Industries, Inc., appeared before he board to speak against changing the district law to include misdemeanor powers.

In other business, the board unanimously approved a contract with the State Cooperative Personnel Services to perform a job classification study for the district, the cost of which not to exceed $1500.

A "declaration of public policy on the control of air pollution from government properties" also was adopted in the light of a recent ruling by the state attorney general, which states that the district's regulations are not applicable to school districts and other public agencies. This policy will be disseminated to all local agencies with a cover letter signed by Andrew C. Byrd, chairman of the board.

The board unanimously authorized a letter to be sent to the six-counties clarifying the reimbursement provisions in the one-cent legislation, and spelling out the board's policy in this regard.

The Advisory Council report, presented by Chairman William B. McCormick, was accepted, and the board asked for additional clarification on their fire training reccommendations.

Linsky reported that the district has received 8,310 Regulation 2 registration forms, and 183 compliance schedules, of which 50 have been fully accepted.

The next regular board of directors meeting has been scheduled for March 1, at 10 a.m. at the district's offices in San Francisco.

Lions Select Judges For Annual Student Speakers Competition

Chairman Elio A. Fontana today announced the selection of judges for the annual Student Speakers Contest sponsored by the Daly City-Colma Lions Club.

The event will be held on Wednesday, March 1, featuring finalists from Jefferson and Westmoor high schools.

The judges will be Charles Becker, municipal court judge of the Northern Judicial District; Daly City Chief of Police Roland Petrocchi, and Roy Hurlbert of Marchbanks Publications.

Jefferson contestants are under the direction of teacher Rudy Tretten. Miss Ann Holden, English teacher, is supervising the Westmoor entrants.

The topic for the speeches is "Our National Heritage Pattern for Today."

The Lions' District chairman has commented: "The American system possibly has not produced friction, but it has brought the people further along in their pursuit of happines than has any other system. Equality before the law and changes through law are two sides of the American coin. Now we can make no greater contribution to mankind than to prove that our national heritage can be patterned for today and may well be the last best hope on earth."

Fontana explained that winners of the local contest on March 1 will advance to Lions' zone competition in mid-March. Regional finals are on April 9, followed by the district finals.

TWO OLPH SCOUTS WIN TOP AWARD

Two members of Boy Scout Troop 243 have received the 1961 Catholic Ad Altare Dei Award.

The awards were presented by the Archbishop of the diocese on Scout Sunday, February 5, at St. Mary's Cathedral. The recipients included first class scouts Eddie Mahoney and Daniel Drew of Daly City.

Only one boy has received this award in the history of the troop, Michael Drew, older brother of Daniel, who attained the honor in 1956.

Troop 243 is sponsored by the Men's Club of Our Lady of Perpetual Help Church.

Preview Commentary On 'Youth Art Show'

(Editors' Note: This is an open letter to the community, written by Elio Fontana, co-chairman of the Daly City-Colma Lions Club annual "Youth Art Exhibit." The exhibition this year will be from April 4 to 9 at Daly City's War Memorial Community Center.)

The Daly City-Colma Lions Club sponsored its first youth are exhibit in 1951. This exhibit has since become one of the outstanding student art activities in the Bay Area. It has been well received by citizens and praised by the art critics.

The first exhibit was received with greater interest than the Lions had anticipated. The second exhibit was made larger to accommodate the greater demand (though it still overgrew the original plans).

And so it has been, every exhibit larger than the first with emphasis on making each more interesting.

The Lions, in presenting this to the public, wish to stress a very important media, playing an important role in our lives. The ability of art appreciation and impression does not stop with the brush but continues on in many forms: The housewife may use it arranging her home; her dinner table; application of colors to furniture furnishings; etc.

A thing of beauty, regardless of what it may be, is the result of artistic imagination. As you picture these entries, consider the talents our students from all grades have shown, trying to look ahead at how this form of art can easily be adaptable in their future lives.

It is with great regret that the Daly City-Colma Lions Club is unable to display the entire offering of all our students. Space is limited. The Daly City-Colma Lions Club wish to thank you for this show. Your presence indicates your community interest and pride. The Daly City-Colma Lions Club also wishes to acknowledge and thank the many teachers, art supervisors, and personnel responsible for bringing this annual show to the community.

Capacity House At Eagles' Anniversary

There was barely standing room last Thursday night when Daly City-Colma Eagles Aerie 1848 celebrated its 52nd birthday.

On hand were Daly City and county officials who enjoyed the speeches as well as the food.

President Cliff Cofield presided as the unit's charter members received service pins and recalled the "good old days" with a few memorable stories.

Seated at the front table were pioneer members William Sweeney, A. Lowans, Larry Shaw, James Poket, E. Rodgers, J. Rehaume and H. Shapiro.

After the dinner the Eagles assembled in their ceremonial room for the official rites and newcomers were introduced.

Membership details can be obtained from Dehl Fehl, Eagles secretary, PL 5-0504.

"BOTTOMLESS" LAKES

A string of six lakes near Roswell in New Mexico were named "Bottomless" by early settlers.

Later investigation, points out the National Automobile Club, showed that the lakes ranged in depth from 45 to 600 feet.

The lakes are now a New Mexico State Park.

TEACHING MACHINES were the center of interest and the main topic for discussion when over 500 Bay Area members of the California Elementary School Administrators Association gathered at San Francisco State College for their mid-winter conference. Shown above examining one of the teaching machines is Dr. Vinton Stratton, (left) state president of the Association, as he poses questions for C. Robert Love, vice president of Corrigan and Associates, electronic manufacturers of Garden Grove. Although it was agreed that the teaching machine can make learning more effective and can speed up learning, the opinion was expressed that it will not replace the teacher as long as it cannot teach the child to be creative. In brief, the dynamic role of the teacher will be supplemented but will not be replaced by the machine. AROUND TOWN

OLD Jeff High School will be something to behold about 1963 when an almost $1.8 million improvements job will be nine-tenths completed.

The present academic buildings at Jeff don't safisfy state structural safety requirements because the plant was built in the mid-twenties before the "earthquake act" for a maximum enrollment of 600 students.

First stage of Jeff's rehabilitation will be modification of the gym. This will start this summer. Next will come the construction of new academic buildings in the area of the present playfields west of the cafeteria. In mid-1963, the old buildings will be torn down and the campus will assume an entirely modern look. Jeff's capacity then will become 2000 students and it will be as safe and functional as any other Peninsula high school.

SEVERAL people have called Daly City councilmen about the Westlake Improvement Association's lawn controversy.

Many feel the city fathers should intervene in the interest of public welfare—a broad term with many shades of interpretation.

The problem is that the city has no jurisdiction in the matter. Besides, the councilmen want no part of the uproar, even though four of them reside in Westlake.

Camp Fire Girls Still Busy With Mint Candy Sales

Doorbells are still ringing in the neighborhoods of local Camp Fire Girls as the groups continue their annual sale of the chocolate-covered mints, available only at this time of the year.

Many homemakers have bought by the case, according to candy sale chairman, Mrs. Fletcher Vinson, 136 Cerro drive, and have stored some in the freezer for use between now and next year's sale. "They are very delicious in cookies, puddings, cakes and, of course, right out of the box for a special treat," she guarantees.

The annual candy sale is designed to give Camp Fire Girls, their junior Blue Bird sisters, and senior Horizon Club sisters an opportunity for a youthful taste of business while helping to further and extend the Camp Fire program to more girls of every race, color and economic background.

The sale continues through February 22.

MEDICAL STUDENT ADDRESSES CLASS AT EDISON K-6

Richard Sherins, who is now attending medical school, recently visited the class of Mrs. Audrey Sherins at the Thomas Edison School. Sherins spoke to the class about parts of the car and their functions. Models, charts and diagrams were used. The children plan now to do further research in this area.

Mrs. Dwight Toschi's first grade class has been studying about basic machines. The first machine studied was wheels. The children worked in groups to make folders on the different kinds of wheels used at home, for work and for play. They performed experiments with wheels and explained what they learned to the other first grade classes.

Miss Patricia Silver and Mrs. Georgina Nyhan's second grade classes visited the Westlake post office. Each child wrote a letter to his parents and mailed it at the post office. They then watched the letter being processed through the various machines.

Some Car Expenses Can Be Deducted From Income Tax

Some car expenses are deductible on your income tax returns even if the car is never used for business purposes, reminds the California State Automobile Association.

The major item for most motorists who itemize their deductions is the state gasoline tax of 6 cents per gallon.

The amount of gasoline used can readily be determined by dividing the total number of miles the car has traveled during the past year by the number of miles it gets per gallon. Gasoline mileage varies widely depending upon the proportion of city and rural driving, age of car, horsepower and other factors. Most cars average about 14 miles per gallon, says the CSAA, and are driven about 10,000 miles a year. Compact and foreign cars, of course, do better.

The federal gasoline tax, currently 4 cents a gallon, is not deductible.

Other items that are deductible are registration fees and any local taxes, as well interest paid on money borrowed on the security of the car.

Losses from fire, accident, storm or theft are deductible to the extent they are not covered by insurance and when the accident did not result from the taxpayer's willful act or negligence. Drunken driving, for example, would be construed as willful act or negligence while mere faulty driving would not.

17th PTA District Sets Founders Day Program

"Founders Day," the 64th anniversary of the Congress of Parents and Teachers, will be celebrated by the 17th District, at McKinley School, Duane street, Redwood City, from 10 to 2 p.m. on February 16, with president Mrs. Foriest Cunningham presiding.

This will be a combined executive board and regular meeting to commemorate the inception of Congress of Parents and Teachers which dates back to the initial meeting held in Washington, D.C., by Alice Birney and Phoebe Apperson Hearst, on February 17, 1897, with 2000 mothers attending. At that time PTA was struggling for existence and recognition. Today, the 17th District, San Mateo County, consists of approximately 50,000 members.

The meeting is open to all past district presidents as well as honorary life members. A surprise skit, "PTA Mikado," will be in offering for this memoable day with the board of directors participating. The boys' special choir, under the direction of Mrs. Stella Wood, will entertain. Luncheon arrangements for 17th District and guests are being made by Mrs. Adele Sturdevant.

Highlight and surprise of the program will be the presentation of the honorary life membership pin to an individual with an outstanding record of service to children.

Mrs. Cunningham urges all members to attend this historical event and suggests that reservations be made before February 13.

For new emergencies that are just around the corner, you are asked to make a contribution to the Bishops' Relief Fund Appeal, March 5-12.

Children Await Three Showings Of 'Cinderella'

"Cinderella" musical play, sponsored by the Jefferson Elementary School District Coordinating Council of PTAs, will be presented on two seperate days—Saturday, February 11, at Benjamin Franklin School auditorium, with performances at 1 p.m. and 3 p.m., and Monday, February 13, at Colma School multi-purpose room at 1 p.m. The program will last about one hour. Admission price is 50 cents for children and adults. Tickets may be purchased at the school.

The San Francisco Players Guild presentation of Cinderella is dramatized from the poem by Alice Duer Miller and designed from the illustrations of Constantin Alajalov. It is set in the early Victorian period to Strauss music and is produced and directed by Martha Bigelow Eliot.

The production has a dual purpose. It enables children to see a worthwhile "live" play and at the same time earns money for the Welfare Fund of Jefferson Elementary School District.

This years' chairman is Mrs. Edward de Martini, who is also recording secretary of Garden Village PTA. She urges everyone to attend the musical play "Cinderella," the beloved story which is so entrancing to all ages.

WINDSHIELD WIPER

"Killed by a windshield wiper that wouldn't work."

Here, points out the National Automobile Club, is an epitaph that could be placed over the grave of many a dead motorist, many a dead pedestrian.

During the summer months when skies are clear and blue, visibility is at its best, and streets and highways are fast and dry, the minor mechanical shortcomings of your car are not too serious.

During the winter months, however, minor mechanical shortcomings can lead to major catastrophes. When the winter months bring in the fog and rain, that is no time for windshield wipers that won't work effectively or won't work at all. When streets and highways are slippery with water, slick with ice, that's no time for tires that are worn smooth, brakes that grab or hold unevenly.

During this winter season when driving hazards are so greatly increased, check the mechanical condition of your car and check it thoroughly. By doing so you can help to keep yourself safe.

COST OF HIGHWAYS

The estimated cost of completing the National System of Interstate and Defense Highways is $41 billion, according to the National Automobile Club. The Federal share of this cost is an estimated $37 billion.

MEMBERSHIP drive of the "Helpmates of Westlake," an auxiliary of the City of Hope, will be spurred this Sunday by a gala champagne party. President of the new unit, Max Liss (upper left) and vice president Simon Prenowitz preview the event with hostesses Mrs. Fred DeBow (left) and Mrs. William Layton. Membership is open to all persons interested in helping the City of Hope Foundation which helps to combat catastrophic diseases. More details on the 2 to 5 p.m. Sunday affair can be obtained by calling PL 5-0455 or PL 5-0329.

Why do you trust this man to feed your family?

HAVE you ever realized that the most precious thing you buy every day is food? Probably not. Yet your own family's health and well-being depend largely on the quality of food you buy. Your food store dealer never forgets this fact. That's why he's as careful of the food he offers you as he is with the food he takes home to his own family.

While experience has taught you to rely on him for the best—most wholesome—foods, you likely take for granted his constant check for quality...his investment in new and better foods...and that he brings all of this to you at a price you know is right.

And how rewarding for you if your favorite food store gives you S&H Green Stamps. You know, of course, that half the families in America save them today.

Your S&H Green Stamps make it possible for you to choose from over 1,500 top-quality, famous brand-name items at your S&H Green Stamp Redemption Store.

Orlich's Squad In Running

Indians Appear Ready To Take On Capuchino

Coach Mike Orlich's razor-sharp Jefferson High varsity basketballers plastered two more opponents last week as they rolled towarded next week's showdown here on Friday night against powerhouse Capuchino.

Boasting a 6-1 Peninsula League record entering this week's games with Hillsdale and Burlingame, the Tribe will be mentally ready for the return go with the unbeaten league leaders. Capuchino routed Jeff, 68-48, in San Bruno on January 20. Orlich's squad was "cold" in that contest, but since the Indians have outclassed everybody with ease.

Alan Lee led the Daly City brigade Wednesday last week with 22 points as the Indians spanked San Mateo, 74-42. Bobby With had 14 points and Sonny Stoller bucketed 12.

Last Friday night Jeff clobbered South San Francisco, 68-49, with Lee accounting for 16 points and Hiram Sibley for 14. Stoller and With each had 11.

Orlich's big gunner, Gary Molossi, is about recovered from a fractured finger and he'll be ready to bomb at Capuchino for all angles. Gary led the league in scoring a year ago with a 16.8 points per game average. He's the sharpest shooter in the circuit again this campaign.

PENINSULA LEAGUE
(Varsity Basketball)
As of Feb. 7

	W	L
Capuchino	7	0
JEFFERSON	6	1
Hillsdale	5	2
San Mateo	4	3
Burlingame	2	5
South SF	2	5
WESTMOOR	1	6
Mills	1	6

Orlich's biggest asset is team balance. Each starter is capable of hitting double figures against any opponent.

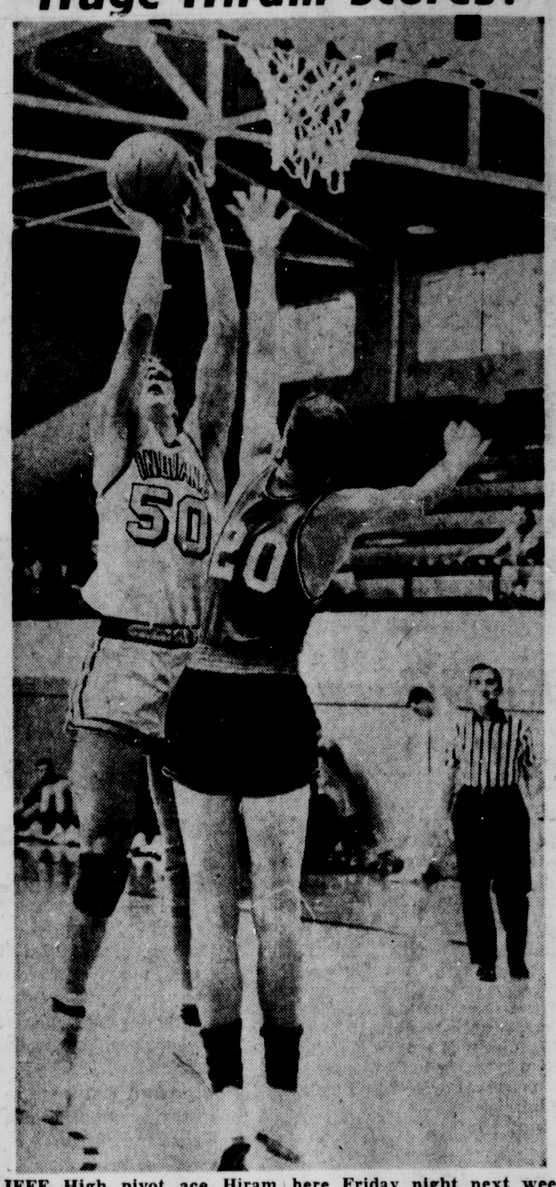
Jeff's lightweights lost a pair last week, 54-40 to unconquered San Mateo, and 37-34 to the younger Warriors.

The local quints met Hillsdale here Wednesday. This Friday night Jeff is at Burlingame. Wednesday next week the Daly City fives play at Mills. Then comes the titanic here Friday night, February 17, against Capuchino.

Cap "slowed down" a bit last week in edging Hillsdale, 44-38.

Both the Mustangs and Jeff play race-horse style. Capuchino is ranked as the fifth best team in Northern California. The San Brunans show no signs of stopping, and could end up with a perfect league record. The only club rated a chance against them are Orlich's senior veterans.

Huge Hiram Scores!



JEFF High pivot ace Hiram Sibley palms the ball up for two points in the Indians' landslide 74-42 win over San Mateo last week. The Daly City cagers meet unbeaten Capuchino here Friday night next week in a game that could decide the Peninsula League championship. Cap defeated Jeff by 20 points in their first meeting.

ALBERT WAS TOPS

Jeff High Wrestlers Showed Much Promise Despite 2-12 Mark

Jefferson High varsity wrestlers didn't set the mat on fire this season—winning only two of 12 dual meets—but Coach Joe McGrath was impressed with the efforts of several boys who gained valuable experience for next year.

The Indian grapplers wrapped up the campaign this week in a practice joust with Terra Nova High's first-year squad at Westmoor.

McGrath, finishing the third wrestling campaign at Jeff, singled out team captain Steve Albert, 175-pounder; Bob Kasper, 154-pound junior; frosh Archie Cordova, 127-pound division, and junior Sam Ennon, 145-pound class. Albert had the best individual record —seven wins in 12 contests.

The Indians, who debuted in the league with a 6-6 record three years ago, finished with a 2-12 mark in dual meets this time.

The Tribe was handicapped by the absence of last year's regulars, Gino Bertolini, unlimited division; 191-pounder Daryl Cohn, and 120-pounder Charles D'Arman. All three were outstanding a year ago when the Indians showed promise despite a 4-8 record.

McGrath this season started out with a team turnout of 69 boys. He had 48 left when the campaign ended. The Indian wins came against Burlingame and Mills. San Mateo is the Peninsula kingpin, having gone undefeated in dual meets the past three years.

Other Jefferson starters this year were: Bob Molossi, frosh 103-pound division; Duane Roberson, frosh, 112; John Peterson, junior, 120; Corey Patton, junior, 133; Ron Young, senior, and Jim Belvin, junior, 138; Jim Parker, junior, 165; Daryl Crist, sophomore, 191, and Bruce Wagner, junior, unlimited.

McGrath had top assistance this season from SF State student Jim Ahern, former Peninsula League champ for Jeff, and Daly City fireman Bob Malcolm, former intercollegiate wrestler.

"Our main problem at Jeff is difficulty getting the bigger boys to go out for sports," commented McGrath. "We have plenty of enthusiasm for wrestling, but the bigger kids seem to shy away from athletics."

WESTMOOR BEATS MILLS

Allard, Christman Hit Double Figures, Rams Register First Victory

Westmoor High's varsity cagers broke into the Peninsula League win column Friday down south, defeating Mills, 62-56, as junior center Gary Allard set the tempo with 15 points.

On Wednesday last week the Rams from Daly City gave Capuchino a scare before bowing to the unbeaten loop leaders, 67-57. In that one, forward Terry Christman blistered the nets for 27 points and Coach Tony Giammona called the team effort Westmoor's "best of the year."

This week Westmoor hosts Burlingame (2-5) and travels to meet South San Francisco on Friday night. The Warriors lost to runnerup Jefferson last Friday, 68-49, and are 2-5 in league standings. Capuchino is 7-0 and Jeff 6-1.

Against Capuchino, Christman hit 12 of 19 field goal shots, and teammate Barry Krohn connected for 14 points.

Reserves Mike Daniels, with 14, and Jim Lucke, 12, were instrumental in the victory over Mills. Christman had 13 and Krohn 8.

Westmoor's lightweights lost to Cap, 41-31, and to Mills, 41-40. Harry Brown of the Rams continued his hot scoring pace with 16 points against Capuchino. He ranks with the leaders in this division.

Next week Westmoor travels to meet San Mateo on Wednesday and on Friday goes to Hillsdale.

Unbeaten OLM Five Sweeps 5th Grade Cage Championship

Coach Bob Eidler's Our Lady of Mercy captured the 5th Grade Division crown Saturday by downing BYA Flying Goose, 28-21. OLM finished the season with a perfect record, 4 and 0. Second place went to the BYA Hawks with a 3-1. Third place was a three-way tie among BYA Flying Goose, OLPH Bobcats and BYA Hotshots.

Upset of the week came in the 6th Grade Division where Duane Morin, with 12 points, and Jimmy Davis, with 9, combined talents as the OLM Dons defeated the tough BYA Tigers, 29-20. The upset and a win over the BYA Bears (39-29) leaves the PAL Warriors on top in the 6th Grade League. Larry Black hit 17 points and Keith Stoller 10 as the Warriors moved out in front with a 4-0 record. Ron Smith tallied 10 points as the BYA Barons decisioned OLPH, 22-13.

Seventh grade action saw Mike Nelsen of Our Lady of Mercy tank 17 points as OLM edged Ben Franklin, 31-30. The PAL Bobcats made it a 4 and 0 record as they dumped the Foghorns, 39-15. Billy Hernan, with 12 points, Dan Cafferata, 11, and Butch Chalmers, 10, gave the hoop a real workout in the game. The BYA Darts retained second place as they rolled over the BYA Pistons, 28-14, with Bob Hood of the Darts leading the scoring with 9 points.

Eighth grade scoring honors went to K. Torre of Our Lady of Mercy as he led his team with 20 points. The performance of Torre and his teammates kept OLM in first place as they swamped Parkmerced, 53-23. The Flying Goose Blues took over second place with an easy win over OLPH, 44-18. Pat Senn of the Blues hit 19 points. The PAL Celtics, via Tom Snodgrass' 10 points and a last-minute surge by John Moran edged New Pisa, 35-30. The winless Flying Goose Whites defeated the improved BYA Patriots, 36-30.

Theft of a speedometer, water skiis and a control cable from his motor boat was reported to Daly City police Sunday by David Silverman, 273 Westbrook avenue. The boat was parked in front of the residence, and the thief unhinged the items during the night. Silverman valued the property at $65.

Daly City Players Begin Casting For 'Champagne Complex' Comedy

The Daly City Players, an amateur drama group, have chosen as their next production, "Champagne Complex," a comedy by Leslie Stevens. This play deals with the efforts of a psychiatrist to cure a young girl of a very unusual complex which is triggered into embarrassing action whenever she drinks champagne.

Tryouts will be held Thursday, February 9, at 8 p.m. in Daly City War Memorial building and will be continued next week.

Bill Heral, an employee of KGO-TV and an active member of many theatre groups for eight years, has been selected as director for this play, which will be presented in May.

Several members of the Players will perform at a Donor's Day luncheon for the Ner Tamid Congregation Sisterhood at the Red Chimney in Stonestown this Thursday. Included in the program will be a one-act play and a monologue. The play, "Even Exchange," will have in its cast Cora Chroninger, Barbara Karman and Ray Navarra. The monologue will be presented by Tinker Taylor.

The Daly City Players are happy to provide entertainment free of charge for recognized clubs and organizations.

Daly City's Second Annual 'Doll Show' Offers Many Prizes

Registrations begin this Friday for Daly City's colorful doll show, an attractive spectacle that will be climaxed on Sunday, February 12, with awards for winners in many categories.

This second annual event will be judged by city parks-recreation commissioners Louis Larcombe and Ann Eason, and Janet Leaskou, member of the public works department secretarial staff.

Dolls may be registered for the competition this Friday, from 2 to 4 p.m. at War Memorial Community Center, on Saturday at all city playgrounds from 10 a.m. to 3:30 p.m. and at War Memorial Bldg. from 7 to 8:30 p.m., and on Sunday, from 9 to 11:30 a.m. at War Memorial building.

What kinds of dolls are eligible?

It's SPARE TIME

at Westlake Bowl

Deciding the champion bowler of the Thielen household is a very difficult task. Bowling in the current Westlake Handicap Doubles Tournament, Dolly and Gil Thielen not only took over the lead of the entire tournament, but also the top spot in the husband and wife special prize division. How did they do it? With a grand total of 1322 pins, each having an individual total of 661!!

Fred Thompson shot a total of 514, including his handicap, to take over the leadership in the Singles Division of the Tournament. The entries in the Tournament which runs until February 26 have been more than anticipated and cash prizes have been raised accordingly.

As a result of a few practice sessions, Donna Pellegrini of the YWCA showed tremendous improvement, bowling 106 pins over her average.

Daytime bowlers seem to be having less difficulty with splits than do the evening bowlers. Last week Millie Belli converted the 4-10 while in the very next frame Mary Hawkins picked up the extremely difficult 6-7-10.

After over six months of competition, the Friday Sweepers Jackpot was finally broken as Boyd Hillyer scored five consecutive strikes to take home the $723.40 Jackpot. Boyd has been bowling for only two years and now carries a 153 average in the Mayfair Strike league at Westlake. The new Friday Jackpot Sweepers has started with a guaranteed Jackpot of $200.00.

Over fifty couples were on hand last Saturday night for the Annual North San Mateo YWCA sponsored Dinner Dance Fashion Show. Dorothy Orlich was the capable chairman while Walt Tolleson's band furnished the music for dancing.

Tomorrow night will be "Hail to the Victors" night at the Bowl as trophies will be presented to the twenty-one winners of the Christmas Tournament for Juniors. They will be feted, with their parents as guests, at a banquet at the Bowl. Junior Director Box Sexton will present trophies to the winners of the singles, doubles and mixed doubles divisions of the three age brackets, eight to twelve years, thirteen to fifteen and sixteen to eighteen years. Invited guests include Ora Mayer, Helen Duval and Lloyd Brown.

One of the more popular nonleague bowling groups at Westlake is that of the "Girls from Gatorville"—wives of San Francisco State College students who bowl every Monday morning. Mrs. Diane Blake is chairman of this group of social bowlers.

San Francisco Bay ranks sixth among the Nation's leading seaports.

"SAFETY ON THE SCHOOL GROUNDS" provided the focus of attention during a special assembly at Jefferson Elementary School when Dennis Huajardo, (far right) physical education consultant, pointed up vital reasons why boys and girls should be especially careful in their playground activities. Shown above receiving certificates from Student Athletic Council Director Keith Stoller is Susan Chiappari, whose volley ball team took first place in the intramural league contest.
